Get Inspired!

LEARN THE TECHNIQUES ♦ GET THE KNOWLEDGE ♦ SEE THE SITES

Dear Friends and Colleagues,

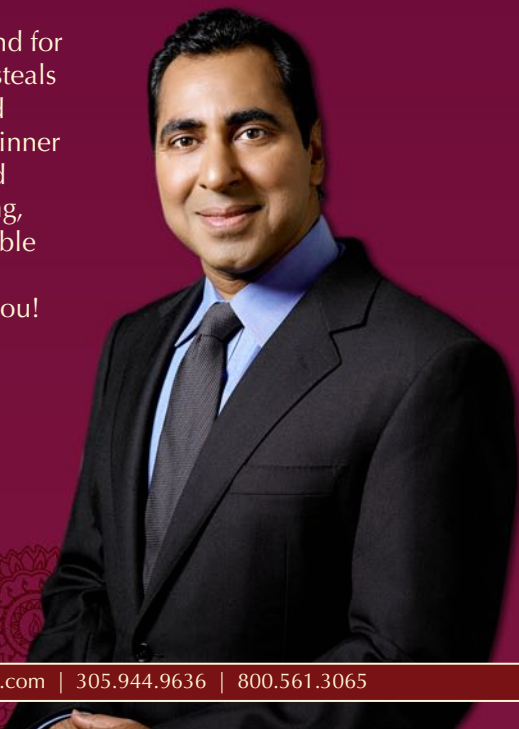

The American Dental Implant Association provides interesting and dynamic educational experiences for dental colleagues in an environment that encourages and supports personal friendships and fellowship. This meeting will allow you the opportunity to learn from experts and visionaries in the fields of surgery, periodontics, dental technology, and marketing.

Upon completion of this symposium, participants will be able to understand the cutting-edge surgical techniques, prosthetic techniques, graft materials and new products available in the field of implant dentistry!

We extend a warm welcome to all participants, their families and team members, and thank you for your support. This program will provide you and your team the opportunity to network, exchange information, find solutions, and socialize with colleagues friends, and their families from around the country and around the world.

Our Team will be there to assist you further in your implant education and for you to experience why New Delhi steals visitors' hearts with its grandeur and stunning architecture. Discover the inner peace of a city rich with culture and prepare for a fascinating, challenging, educational, and thoroughly enjoyable experience! We look forward to welcoming each and every one of you!

Sincerely,
Arun K. Garg, DMD

Main Symposium Location:

India Habitat Centre
Lodhi Road
South Delhi
New Delhi, India

Transportation will be provided daily to and from the Hyatt Regency and the India Habitat Centre.

Pre-Symposium

RIDGE SPLIT LECTURE WITH MODEL WORKSHOP

Arun K. Garg, DMD

Time: 8:30am - 12:30pm. Tuition - \$695

4 CE Credit Hours

Atrophic bone ridges present a unique challenge to the dental implant surgeon.

The segmental ridge split procedure provides a quick and predictable method to expand and graft (and most frequently simultaneously place implants) in an atrophic ridge.

This workshop will discuss the technique and detail as well as provide for hands on model workshop.

SINUS LIFT LECTURE WITH MODEL WORKSHOP

Arun K. Garg, DMD

Time: 1:30pm - 5:30pm. Tuition - \$795

4 CE Credit Hours

Posterior maxillas frequently lack available height of bone for implant placement. In this lecture and hands-on workshop, step-by-step instruction will be provided in the art and science of modern day sinus lifting. Both lateral wall and crestal approaches will be taught.

The requisite radiographs, the clinical technique, and the materials and instruments to use will all be covered.

Workshops

BOTOX® FOR DENTAL PRACTITIONERS

Natausha Spears, RN, BS, Certified International Injectable Trainer

Time: 8:30am - 4:30pm Tuition: \$1,500 (includes \$300 Botox® Units)
8 CE Credit Hours

Botox® is the most profitable non-invasive treatment in the billion-dollar industry of facial aesthetics. Botox® is quickly booming within the world of dentistry and more and more dentists are realizing the benefits of these treatments for total patient care and complete smile rejuvenation. Alone with an average of 5 weekly Botox® Gummy Smile treatments, dentists can add 72k to their annual practice income.

Natausha Spears, RN, BS, is a internationally certified injectable trainer who has successfully trained thousands of dentists on mainstream and advanced techniques for Botox® and dermal fillers. She has been in the aesthetic industry for 12 years and is the owner of Injectable Aesthetics. Her practice is considered one of the largest practices for injectables in US, where she has alone performed more than 10,000 Botox procedures during her career. In addition to her years of educating dentists at monthly DentaSpa courses, she is also an ACE certified speaker and has been a leading trainer for Allergan (world leader in aesthetics, maker of Botox) for the past 8 years.

Before

After

General Sessions

12:30 p.m. - 2:00 p.m.

Lunch

2:00 p.m. - 2:30 p.m.

MÓNICA RESTREPO, OD., M.S.D.

- 3D Diagnosis, Guided Surgery, and Bone Engineering

2:30 p.m. - 3:00 p.m.

ARNE VON STERNHEIM, Ph.D.

- The Different Meanings of "Primary Stability" as Related to Dental Implants

3:00 p.m. - 3:15 p.m.

Break

3:15 p.m. - 4:00 p.m.

ARUN K. GARG, D.M.D.

- Maxillary Sinus Grafting Lateral Window Approach and Crestal Approaches

DAY 2 - SUNDAY, OCTOBER 14, 2012

- 8:45 a.m. - 9:00 a.m. **ARUN K. GARG, D.M.D.** - "Welcome"
- 9:00 a.m. - 10:30 a.m. **ALFRED SEBAN, D.D.S., Ph.D. & PATRICK BONNAUD D.D.S.**
• Autogenous Bone Graft for Dental Implants:
Rational and Clinical Applications
- 10:30 a.m. - 10:45 a.m. Break
- 10:45 a.m. - 12:30 p.m. **ARUN K. GARG, D.M.D.**
• Allogenics Bone Blocks, Chin Blocks, and Ramus
Block
- 12:30 p.m. - 2:00 p.m. Lunch
- 2:00 p.m. - 3:30 p.m. **ALFRED SEBAN, D.D.S., Ph.D. & PATRICK BONNAUD D.D.S.**
• Complex Cases in Dental Implantology
- 3:30 p.m. - 3:45 p.m. Break
- 3:45 p.m. - 4:30 p.m. **ARUN K. GARG, D.M.D.**
• Guided Dental Implant Surgery

Transportation will be provided daily to and from the Hyatt Regency and the India Habitat Centre.

Speakers

ARUN K. GARG, D.M.D.

Dr. Arun Garg, a world authority in dental implants and bone grafting, brings this amazing course that will arm you with solid knowledge to improve your implant practice immediately. Learn as you discover the magnificence of India in the breathtaking and awe-inspiring city of New Delhi and surrounding areas. Acquire all the technical knowledge in dental implantology while absorbing the mystical wisdom this ancient city and culture will evoke!

KEIICHI NARUSE, D.D.S., PH.D.

Dr. Naruse has been performing implant surgery since 1985 and has been running his own periodontal clinic for 22 years. He is an authority on Vertical Bone Augmentation and regularly gives lectures worldwide on GBR and Sinus Lifting.

ALFRED SEBAN, D.D.S., PH.D.

Dr. Seban is an Assistant Professor of University (Paris V), and a Practitioner committed to MaxilloFacial surgery in the Saint Louis hospital. He is also the Coordinator of Rehabilitation in MaxilloFacial Surgery at UFR Lariboisière - St Louis Paris VII.

PATRICK BONNAUD, D.D.S.

Dr. Bonnaud holds diplomas from New York University, Penn University, Goethe University (Frankfurt, Germany) and Paris VII University (Paris) in Implantology, Oral Surgery and MaxilloFacial Surgery. He has taught bone grafts and dental implants at the MaxilloFacial Department at Saint Louis Hospital (Paris) for 15 years. He wrote two books with Dr. Alfred Seban, as well as numerous articles on bone grafts and implantology.

MÓNICA RESTREPO, OD., MSD

After graduating Dental School, Dr. Restrepo attended Boston University in Boston, Massachusetts where she graduated as a US trained Periodontist in 1990. She is the Founder and Director of the Periodontology Department of the Colegio Odontologico Colombiano in Bogota, Colombia. She is also the founder and Director of Global Kare in Bogota, Colombia.

ARNE VON STERNHEIM, PH.D.

Dr. Sternheim graduated with a DMD from Bucharest, Romania and is currently practicing in Germany. Since his first implant cases in 1999, he has taken extensive top notch continuing education focused on implant dentistry, has presented world wide and received numerous awards for his presentations. He has developed numerous techniques and Devices related to Dental Implantology.

NATAUSHA SPEARS, RN, BS

Natausha Spears, RN, BS, is an internationally certified injectable trainer who has successfully trained thousands of dentists on mainstream and advanced techniques for Botox® and dermal fillers. She has been in the aesthetic industry for 12 years and is the owner of Injectable Aesthetics. Her practice is considered one of the largest practices for injectables in US, where she has alone performed more than 10,000 Botox procedures during her career.
